

NO HOLIDAY PRE-ORDERING

We do not take any advance or call-in orders.

All frozen holiday items are sold on a first come first serve basis. You can order at the counter in our take-out area or visit the Holiday Pick Up Line (see hours listed in this brochure).

Why?

For over 10 years we have based our holiday food production on sales history and have been able to reliably meet the needs of our customers. However, we cannot guarantee the availability of any one item — so pick up your holiday items from our freezer cases today!

OUR BEST ADVICE...

Buy now and avoid the crowd!

Most holiday items are already available in the freezer cases in our lobby or take-out area. Purchase items today and simply store them in your freezer until the holidays!

FOOD SAFETY TIPS

Keep these procedures in mind to insure that your food has a long shelf life & remains safe for consumption!

- HOT FOOD SHOULD BE AT LEAST 165° before serving.
- ONCE YOU LEAVE WADE'S put food items in refrigerator immediately when you get home (unless you are consuming them right away).
- IF YOUR FOOD WAS PURCHASED HOT and you intend to refrigerate it, remove the lids from the containers to allow the food to cool first.
- DO NOT LET FOOD SIT at room temperature for extended periods of time.
- THAW FROZEN FOOD ITEMS in the refrigerator or under cold running water. Do not thaw at room temperature or under warm running water
