Frequently Asked Questions

ARE YOU HAVING A HOLIDAY PICK-UP LINE THIS YEAR?

Due to Covid restrictions, we will be unable to have the traditional Holiday Pick Up Line where we walk guests down the line to pick up items. Instead, you will simply come to our ToGo area and pick the frozen and refrigerated items that you would like. **No pre-order needed!** There will be refrigerated and freezer cases that you can easily shop from in ToGo, it's like a grocery store! Our frozen items will last 6 months if stored properly in the freezer and our refrigerated perishable items will be available in ToGo closer to the Easter Holiday.

CAN I ORDER HOT PINTS, QUARTS, OR SLICED MEATS THE WEEK LEADING UP TO EASTER?

Due to the high volume of requests for hot & ready food that we experience during the holiday season, we cannot take call-in orders for hot pints, quarts, or sliced meats after Tuesday, March 30th. If you want to place a large hot & ready order for 15 or more people please call to place a bulk order with our bulk order specialist by Tuesday, March 30th.

CAN YOU GUARANTEE OR RESERVE ITEMS FOR ME?

NO. All items are while supplies last!

WHAT DISH SIZE SHOULD I USE FOR FROZEN SIDES?

1 quart: 4 cup Corningware or Pyrex casserole dish | 2 quarts: 8" x 8" | 3 quarts: 9" x 13"

HOW LONG WILL MY FROZEN FOOD LAST?

6 months is our recommendation if stored properly in the freezer. Expiration dates are on each frozen food package.

HOW LONG WILL MY GALLON OF TEA LAST?

If properly refrigerated, at least 4 days after purchase.

HOW DO I THAW MY FROZEN FOOD?

We recommend thawing your frozen food quart containers in the refrigerator for 24 - 48 hours prior to cooking. Or you can use our quick thaw method. See our cooking instructions to learn more or go to our frozen foods page to see an instructional video.
