CAN I ORDER HOT & READY PINTS, QUARTS, PANS OR SLICED MEATS THE WEEKS LEADING UP TO THANKSGIVING?

Due to the high volume of requests for hot & ready food that we experience during the holiday season, **we cannot take call-in orders for already cooked HOT pints, HOT quarts, or HOT sliced meats after November 10.** If you want to place a large hot & ready order for 25 or more people please call 582.3800 (ext 3) to place a bulk order with our bulk order specialist. Our deadline for bulk orders that will be picked up 11/11 - 11/24 is November 10th. Minimums and other restrictions apply.

CAN YOU GUARANTEE OR RESERVE ITEMS FOR ME?

NO. All items are while supplies last!

We recommend thawing your frozen food quart containers in the refrigerator for 24 - 48 hours prior to cooking. Or you can use our quick thaw method. Visit eatatwades.com/holidays to learn more.
